Sunday, 25th August 2024 | Hilton, Guindy, Chennai

ABOUT

We welcome all the physicians and cardiologists for this one day symposium on Transcatheter Aortic Valve Implantation(TAVI). Objectives of this symposium is to enrich our knowledge on various aspects of TAVI including the historical background, case selection, ECHO & CT planning, step by step of performing the procedure, hands on experience on commonly used valve delivery systems, tips and tricks on safety and discussions on avoiding complications. We will also discuss on few interesting cases. We look forward to your active participation.

Apollo Vanagaram Transcatheter Heart Valve and Structural Heart Symposium is first of its kind from Apollo Vanagaram. Aim is to update and discuss the contemporary knowledge and practical aspects in the rapidly evolving field of Transcatheter Valve and Structural Heart Therapies.

AVTS 2024 is a one day conference & will focus on TAVI providing solid knowledge on all aspects of a safe TAVI implantation and experts share their interesting cases of TAVI.

WELCOME LETTER FROM CHAIRMAN

Dear Friends,

I am delighted to extend a warm welcome to each of you to the Apollo Vanagaram Transcatheter Heart Valve and Structural Heart Symposium, "AVTS 2024," taking place on 25th August 2024 at Hotel Hilton, Chennai.

In an era marked by remarkable advancements in heart valve surgeries, AVTS 2024 aims to convene esteemed faculties from various corners of India to deliberate on practical clinical approaches to diagnostics and the latest management strategies concerning Transcatheter Aortic Valve Implantation (TAVI).

This symposium promises to serve as a platform where surgeons, academic leaders, educators, clinicians, and experts can come together to exchange innovative ideas and insights on critical issues and emerging trends in the field of heart valve surgeries.

We eagerly anticipate your presence in Chennai, as we anticipate an enlightening and unforgettable conference. Looking forward to seeing you there.

Warm Regards

Dr. Prathap C Reddy
